2. Characteristic Spirit and general objectives of the School

Patron's Statement

Loreto College Cavan is an all girl's voluntary secondary school with a Catholic ethos under the trusteeship of Loreto Education Trust.

Loreto schools seek to provide an education that affirms the innate dignity of every human being created in God's image, and fosters the full and harmonious development of each student, encompassing the intellectual, physical, cultural, moral and spiritual aspects in an environment of justice, freedom, sincerity, truth and joy.

The creation of a dynamic school community where every student is equally cherished and has a real sense of belonging as a priority in a Loreto school which draws its inspiration from the Gospel values and the rich heritage passed on to us from Mary Ward and Teresa Ball, and enshrined in our documents on Loreto Education, including Kolkata Educational Guidelines for Loreto Schools, Continuing the Journey: A Loreto Education and A Mary Ward Schools' Compass.

Students are encouraged to be reflective and discerning in the spirit of our Loreto and Ignation tradition and continue to grow with integrity in right relationship with God, with other people and the environment.

Our philosophy of holistic education places the person of the student at the centre of the educational enterprise which nurtures the students' capacity to "seek truth ... to love what is good ... to strive for excellence" (Teresa Ball) and joyfully engage with life-long self-directed learning in all its dimensions. In so doing, we are committed to preparing students to take their place in society's generous, confident, perceptive, well-informed, articulate and compassionate people ready to contribute to the common good.

Loreto schools welcome students of all faiths and of none while maintaining a Catholic ethos. Inter-faith and inter-cultural dialogue together with a spirit of inclusivity and the celebration of diversity are fostered in the school.

In harmony with our characteristic spirit and recognising that care of faith and education are fundamental to the Loreto tradition, Religious Education is central to our curriculum and the faith formation of Catholic students is supported by the school in accordance with the doctrines, practices and traditions of the Catholic Church. Each student's spiritual life is expressed and deepened through prayer, ritual in the cycle of the liturgical year, reflection on the profound link between faith and justice and creative engagement with the dialogue of faith and life communicated in nature, in science and in the arts.

In accordance with Section 15 (2) (b) of the Education Act, 1998 the Board of Management of Loreto College Cavan shall uphold, and be accountable to the patron for so upholding, the characteristic spirit of the school and determines by the cultural, educational, moral, religious, social, linguistic and spiritual values and traditions which inform and are characteristic of the objectives and conduct of the school.

The names of all applicants entitled to participate in the lottery will be inserted by the Secretary on identical pieces of paper and placed in a drum. The Principal will draw the names from the drum, one by one, until the drum is empty, thereby facilitating the random selection of applicants.

Applicants will be informed of the right to seek a review / right of appeal of the school's decision. (See Section Reviews / Appeals)

10. Acceptance of an offer of a place by an applicant

In accepting an offer of admission from Loreto College Cavan, the parent/guardian must indicate:

- Whether or not the parent/guardian have accepted an offer of admission for another school or schools. If they have accepted such an offer, they must also provide details of the offer or offers concerned and
- Whether or not they have applied for and awaiting confirmation of an offer of admission from another school or schools, and if so, they must provide details of the other school or schools concerned

An offer of admission may not be made or may be withdrawn by Loreto College Cavan where:

- It is established that information contained in the application is false or misleading.

- An applicant has failed to comply with the requirements of "acceptance of an offer" as set out in the previous section.
- The admission of the applicant would pose a significant risk to the health and safety of the applicant or students and staff of the school, or risk significantly interfering with the right of other students to an appropriate education. The Board of Management has a duty of care to ensure as far as practicable the health and safety of the students and staff of the school. In addition, the Board of Management is required under section 15(1) of the Education Act 1998 to provide, or cause to be provided, an appropriate education for each student at the school for which that board has responsibility.
- The application is made, by the parents of a student registered in another school or by a student who has reached the age of 18 years, for a place in Transition Year or Fifth Year in the forthcoming academic year before the Principal has established the number of available spaces in each of these year groups, which will depend on the number of existing Third Year students who progress to either Year. (See Section 15).

12. Sharing data with other schools

Applicants should be aware that Section 66 (6) of the Education (Admission to Schools) Act 2018 allows for the sharing of certain information between schools in order to facilitate the efficient admission of students. Section 66 (6) allows schools to provide a patron or another Board of Management with a list of the students in relation to whom:

- An application for admission to the school has been received
- An application of admission to the school has been made, or
- An offer of admission to the school has been accepted

This list may include any or all of the following:

- The date on which the application for admission was received by the school,
- The date on which an offer of admission was made by the school,
- The date on which an offer of admission was accepted by the applicant,
- A student's personal details including her name, address, date of birth and personal public service number (within the meaning of section 262 of the Social Welfare Consolidation Act 2005)

13. Waiting list in the event of oversubscription

Applicants will be informed in writing as to the decision of the school, within the timeline outlined in the Admissions Notice.

In the event of there being more applications to the school year concerned than places available, a waiting list of students whose applications for admission to Loreto College Cavan were unsuccessful due to the school being oversubscribed will be compiled and will remain valid for the school year in which admission is being sought.

Placement on the waiting list of Loreto College Cavan is in the order of priority assigned to the students' applications after the school has applied the selection criteria in accordance with this Admissions Policy.

Offers of any subsequent places that become available for and during the school year in relation to which admission is being sought will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

14. Late Applications

All applications for admission received after the closing date as outlined in the Admissions Notice will be considered and decided upon in accordance with our school's Admissions Policy, the Education Admissions to School Act 2018 and any regulations made under the Act.

Late applicants will be notified of the decision in respect of their application not later than three weeks after the date on which the school received the application. Late applicants will be offered a place if there is a place available. In the event there is no place available, the name of the applicant will be added to the waiting list.

15. Procedures for admission of students to other years and during the school year

Where parents wish to make an application for their daughter to a year group other than First Year or during the school year, they should in the first instance fill in an Application Form.

An offer of a place can only be made if there is space in the year group in question. A decision on whether a place can be offered will be conveyed to the parents within 21 days of the initial application. Applications made for a place in Transition Year or Fifth Year in the forthcoming academic year will be refused until the Principal has established the number of available spaces in each of these year groups, which will depend, in turn, on the number of existing Third Year students who progress to either year group. Such applications will be placed on a waiting list in date order of receipt until the number of available places in the relevant year group has been established by the Principal.

Before accepting the offer of a place in the school the parents and their daughter are strongly advised to attend a meeting with the Principal and/or Deputy Principal to ascertain whether there is a place available in the particular subject classes required by their daughter.

The fact that there may be a space in a year group would not automatically mean that there is a place available in a particular subject class at the level required by the student. This is because class size is limited in certain subjects. For this reason parents and their daughter are strongly recommended to attend a meeting with the Principal and/or Deputy Principal to ensure that a

transfer to the school would be in the best interests of their daughter given the curricular provision, subject choices/levels and facilities available at the time.

The parents must confirm their acceptance in writing of an offer of a place within two weeks of the date of the offer of a place (See Section 10).

The circumstances in which offers of a place in a year group other than First Year or during the school year may not be made or may be withdrawn are set out in Section 11 above.

In the event of there being more applications to the year group other than First Year than places available, a waiting list of students, whose application for admission to the particular year group has been refused, will be compiled and will remain valid for the school year in which admission is being sought.

Offers of any subsequent places in the year group other than First Year that become available during the school year will be made to those students on the waiting list, in accordance with the order of priority in relation to which the students have been placed on the list.

16. Arrangements regarding students not attending religious instruction

Religious Education is provided in the school in such a way, that all students, whether of a particular religious affiliation or none, can freely and actively participate in the classes. A parent of a student, or a student who has reached the age of 18, who wishes to attend Loreto College Cavan, without attending religious instruction should make a written request to the principal. A meeting will then be arranged with the parent or the student, as the case may be, to discuss how the request might be accommodated by the school.

17. Reviews / Appeals
