

Loreto College Cavan

Tours Policy

RATIONALE

Tours, outings, trips are recognised to be of importance to the student from an educational, cultural and social perspective. Participation is encouraged as such activities reflect our ethos, provide opportunities to experience different cultures and so broaden the mind.

All tours will be conducted in accordance with circular M20/2004, Health & Safety at Work Acts 1989 and 2005. Appropriate arrangements must be made for the conduct of all classes in accordance with Circular PPT 01/03. In the planning of the tour cognisance must be taken of the impact the tour will have on the normal work of the school and the number of absent teachers should be kept to a minimum.

Letters will be sent to parents/guardians informing them of proposed tours and relevant details, including insurance details for foreign trips. Where appropriate, parents will be required to complete a consent form and sign notes. A medical consent form will also be required for overnight tours set out in **Appendix 1**. The school must be informed of any pertinent medical or other condition.

Students on tours are ambassadors of the school and as such their behaviour is expected to reflect positively on the school. A sample of tour rules and other forms is attached in **Appendix 2**.

In the case of routine sports events, students will require written permission from parents/guardians to leave school.

The word 'tour' in this document refers to all school outings.
